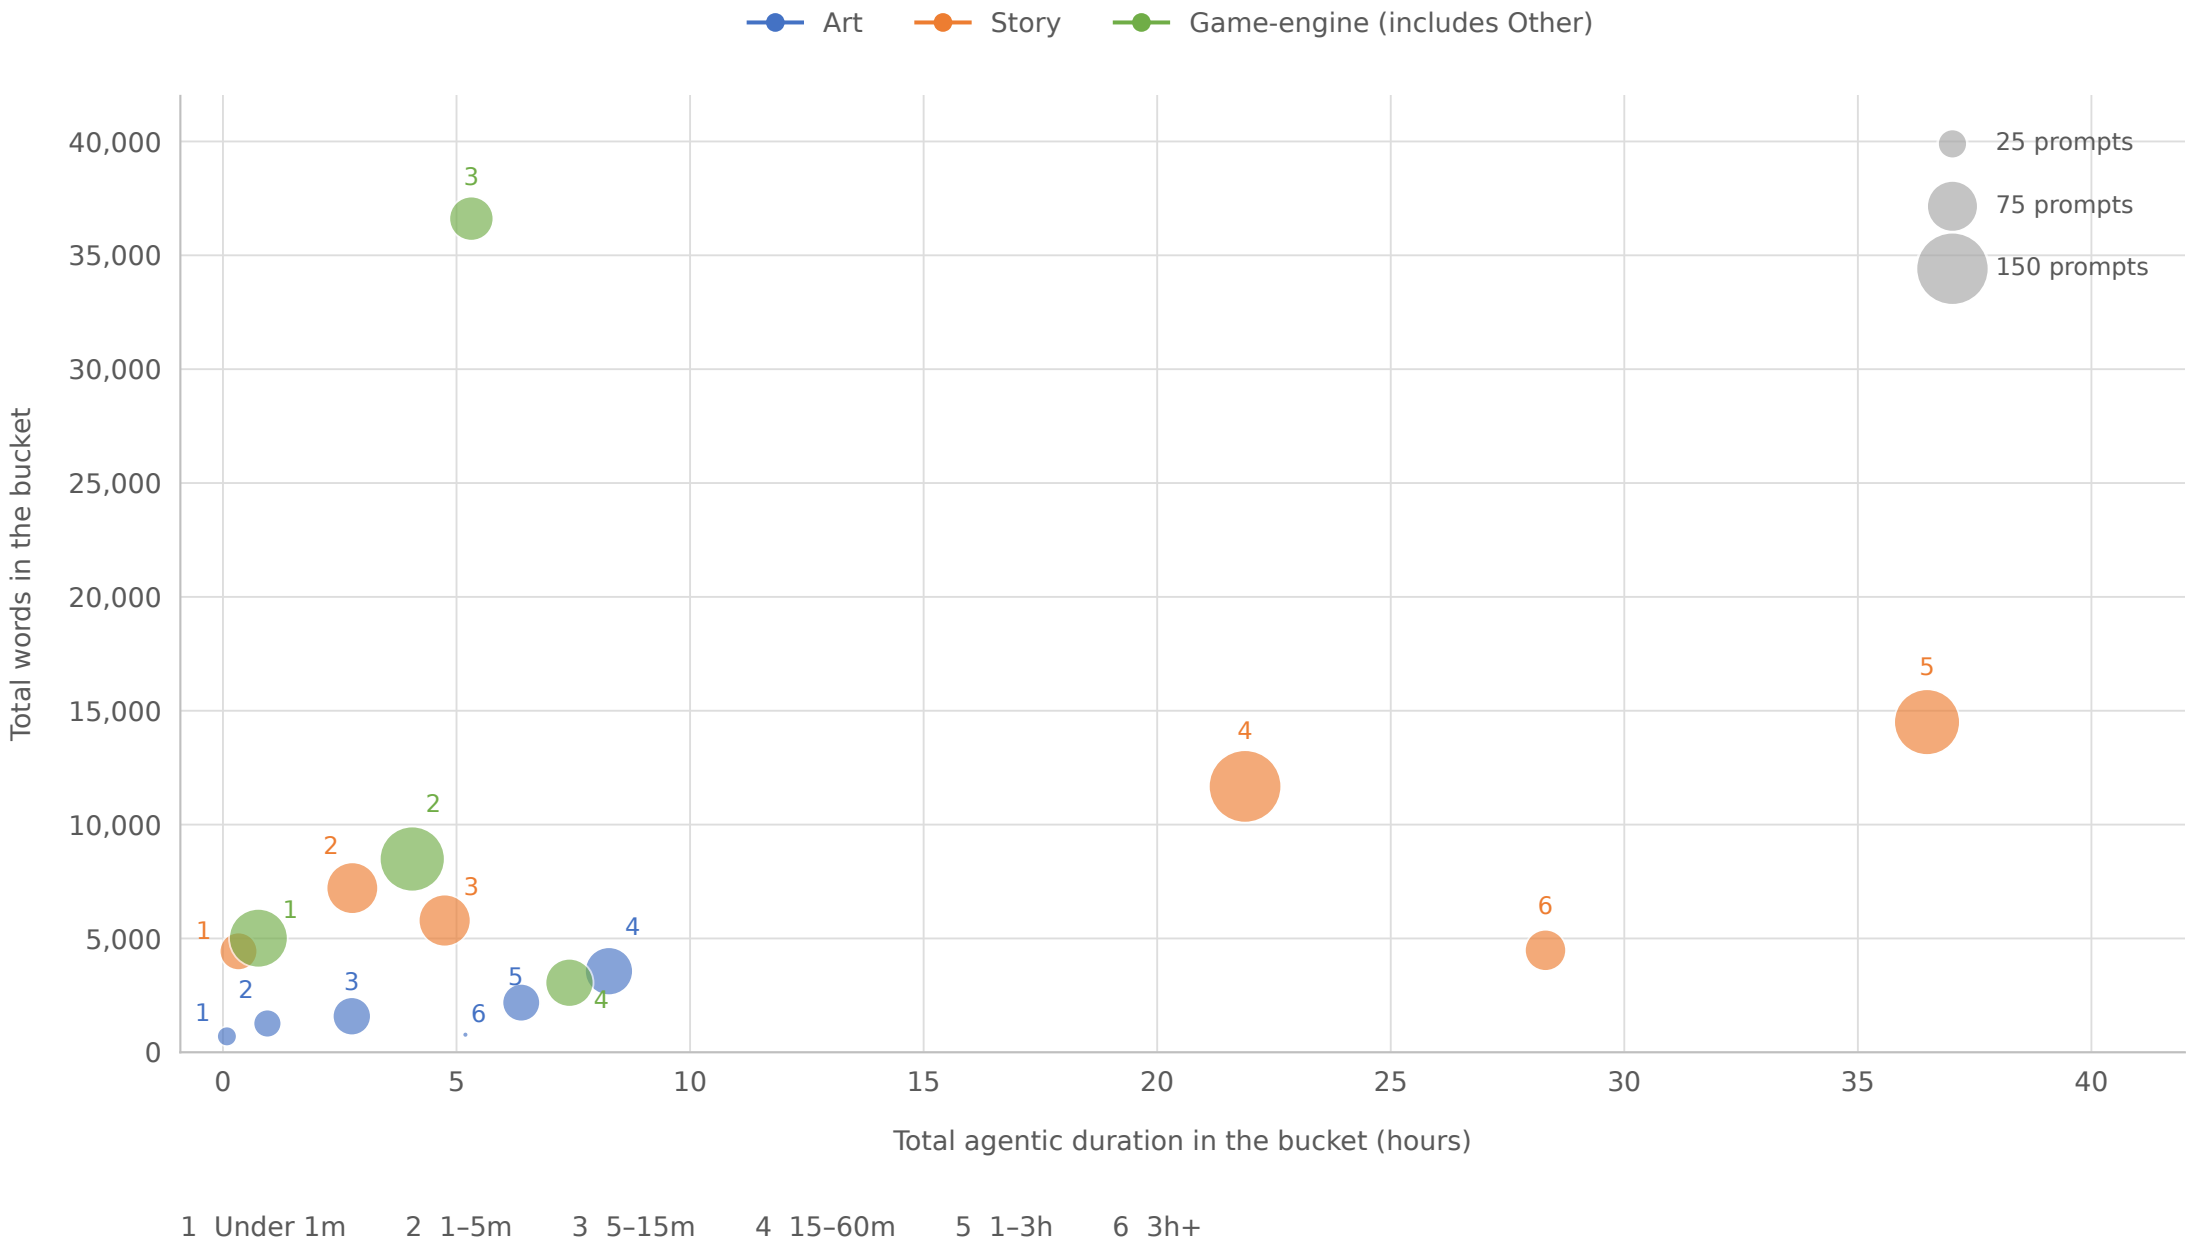
Each duration bucket: words and hours

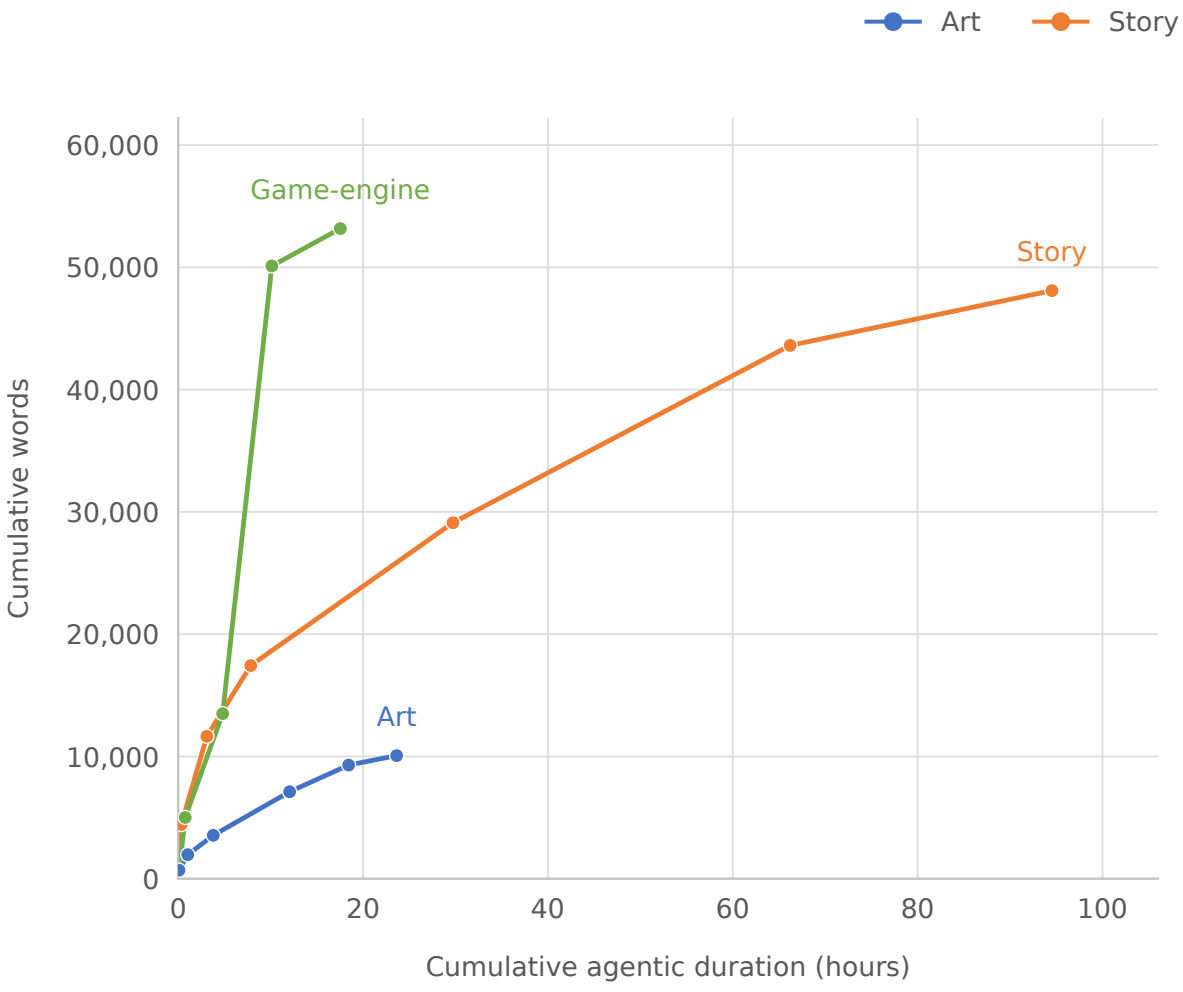
One bubble per area and duration band · bubble area represents prompt count

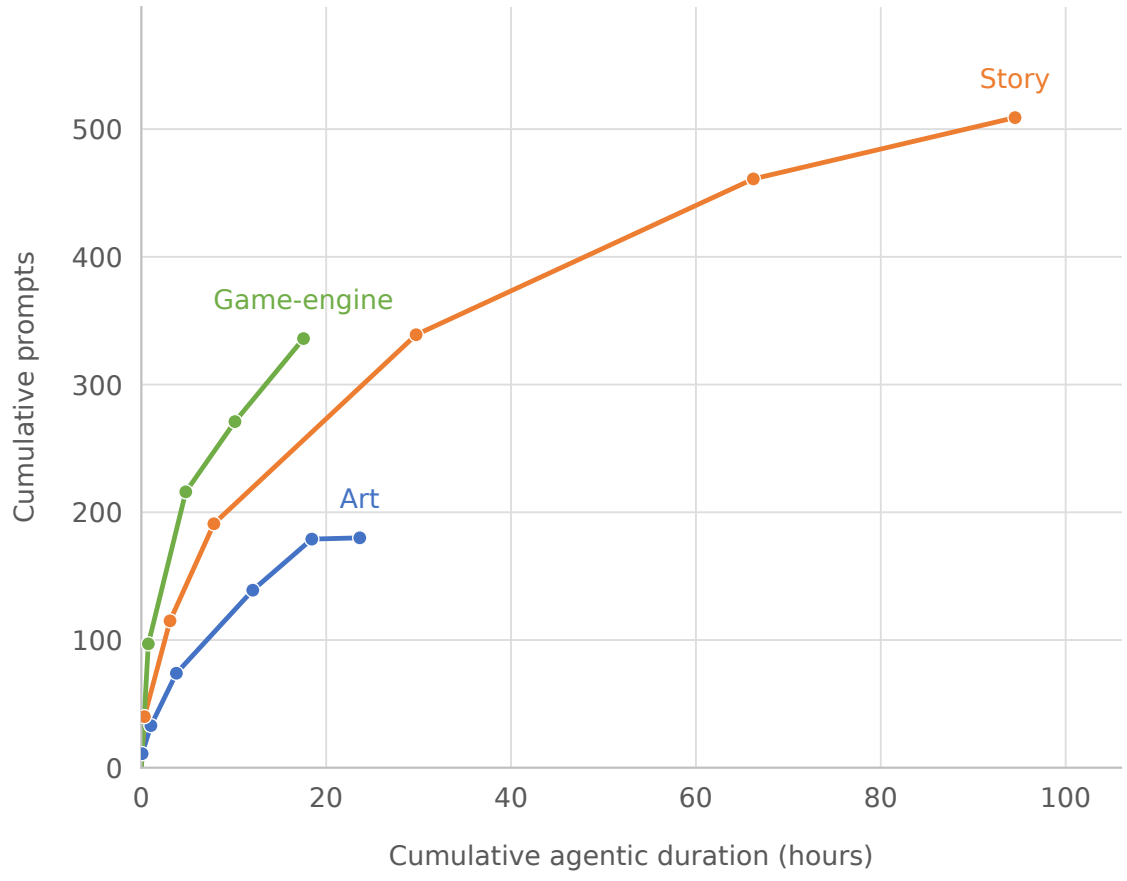


Prompts include steers; words include pasted text. 3 open loops excluded. Snapshot 11 Nov 2026.

How words and prompts accumulate alongside hours

Add duration bands from shortest to longest; each dot is the next running total





Duration-band order: Under 1m → 1–5m → 5–15m → 15–60m → 1–3h → 3h+.
